You & Jennifer

Author's Note:

So I thank you for teaching me how I could live
without you
Never needed me, I don't need you
Fuck you and Jennifer, I know that you're out with
her
Go pretend that you're just friends
I'll pretend that I'm not hurt
I know all the shit I heard, you can take these bitter
words
Fuck you and Jennifer
Go fucking make love to her
Fuck you and Jennifer, I know that you're out with
her
Go pretend that you're just friends
Thrusting in and out of her
I can see her close her eyes
While you kiss her soft and nice
Fuck you and Jennifer
Go fucking make love to her

Eddie laid awake in his bedroom as he heard repeated thumping of the bed frame against the wall in the room next door. He knew he couldn't be the *only one* who can hear Richie slamming it to his girlfriend at two in the morning. He was disgusted at the noises she was making and it was like she had no consideration for any of the other people in the damn house. At least when Ben and Beverly decide to hammer it to each other, they're quiet and their bedroom is at the end of the hallway, **away** from Eddie's room. Eddie rolled over to the other side of his bed away from the wall that was being beaten to death to grab his phone off of the nightstand. He slid it open to a bright message screen where the losers group chat was going off.

Bevy: Rich come on bro. its almost 2 am

Bill: ^

Mike: mans is just trying to hang up a frame

Benny Boy: whatever helps you sleep mike

Eddie: I'm just trying to be stewie from that one episode of family guy where he falls asleep to the sound of lois and peter fucking

Satan: oh my god eddie

Eddie chuckled at Stan's response as the thumping stopped. He could hear screaming coming through the wall. This wasn't sexual screaming, not that Eddie would necessarily know what that sounded like, but this was argument screaming. He slid out of bed to open his door to inspect what was going on. Eddie cracked his door to see everyone else doing the same. Ben and Beverly were peeking out their door while Mike, Ben, and Stan were peeking out their doors as well.

"No, shut up Richie! You expect me to lay there and take that while you scream out someone else's name!" No one actually knew Richie's girlfriend's name because it didn't matter. He'd have a new one by next week and this would happen again. Richie always called out someone else's name, it was like his signature move. His finisher however? Heading to Eddie's room afterwards.

"Lacie, come on." Richie tried to go after her, but it was no use. He was left there standing in his boxers as she slammed the front door. Richie just glanced at the door way where Eddie was now standing with the door wide open. Richie walked towards Eddie before Eddie began to talk.

"Take a-" Richie cut Eddie off.

"Take a shower first, yeah I know." Eddie just chuckled while every one else shut their doors and Richie walked past him, bumping Eddie's shoulder on the way through. Eddie shut the door and plopped down on his bed as he waited for Richie to finish up with his shower. Eddie scrolled through some of his social media feed for about 25 minutes before Richie emerged from the bathroom, shirtless and shaking his hair out like a dog. Eddie let out a sigh of content seeing Richie like that. Eddie was so in love with Richie and watching him throw himself away like that for a girl he doesn't even know. Sometimes Eddie wished that it was him that Richie was smashing it to every night, but when who you want to be with is straight, it's a little hard.

"Who's name did you scream this time, Rich?" Eddie asked Richie this question every time, but he always got the same answer.

"Some other girl's name." Richie just laughed and Eddie did too even though it stung both of them. Eddie got hurt more and more every time that Richie told him about his sex life, but as his best friend Eddie had to listen to what Richie had to say. Richie on the other hand, had a pang in his chest whenever he lied to Eddie like that. The truth was that Richie wasn't screaming some other girl's name, no. Richie had a tendency to scream Eddie's name. He'd never tell him that because Richie thought Eddie was straight and Richie has a reputation to keep up with when it came to the losers club. He wasn't sure how any of them would react to Richie just saying 'Hey, I'm gay!'.

Eddie and Richie laid in silence together for a while before Richie heard the soft snores of Eddie beside him. Richie let out a small breath before he reached over and covered Eddie up with the duvet. Richie leaned down and pressed his usual kiss to Eddie's forehead. Eddie was a heavy sleeper once he got there, so he always felt safe in saying

this.

"It's always you, Eds." And with that, Richie fell asleep.
